RACE CODE

Purebred FIS World Cup racing boots! With High Precision Steering, the extraordinarily reactive control system and 3D Canting, these are the ultimate weapons for high-precision control at maximum speed! Race Connected Fit – with 92mm World Cup last and ultrathin AFZ leather liner – gives the racer an extremely direct connection to the skis and delivers exact feedback from the course. Race Flex Control technology generates enormous forward thrust and ensures maximum control for the race. Developed with World Cup athletes!

CONTROL THE RACE

RACE CONNECTED FIT:

A highly ergonomic, ultra-close fit connects you directly to your skis.

HIGH PRECISION STEERING:

Ski control through athlete-optimised power transfer and high-precision control impulses.

RACE FLEX CONTROL:

Optimum flex for maximum control in all turn phases.

Thanks to **CONTROL THE RACE** the athlete has maximum control over his/her equipment.

This control gives you trust in the equipment and this trust makes you fast! Because you can trust in what is most important: skiing faster!

JUNIOR

BOOTS

RC4 PODIUM 90/70

RACE CODE

- Junior racing boot with top performance through Control The Race
- Racing last with 99mm width
- FIS conformity thanks to 43mm stand height
